

ALASKA ISLANDS, WHALES AND GLACIERS SITKA-JUNEAU

The 10-passenger *Misty Fjord's* Alaska's Islands, Whales, and Glaciers expedition is ideal for travelers seeking a higher level of activity, with more time spent in remote areas. The vessel is anchored or moored on most nights of the journey, which presents additional opportunities for kayak paddles and other active excursions. This is a true expedition-style itinerary with no set routes. Your knowledgeable captain and shore-side management will determine the week's best route based on wildlife migrations and patterns, guest interests, and weather. These trips are also available for charter!

ITINERARY:

DAY 1 – ARRIVE SITKA, ALASKA

We recommend arriving at least one day early to avoid potential flight delay issues.

Explore beautiful Sitka, the only community in Southeast Alaska that faces the open ocean waters of the Gulf of Alaska. Visit fascinating sites that highlight the community's rich Alaska Native and Russian history. Embark for the winding narrows north of town while searching for sea otters, bears, whales, and other wildlife. Anchor for the evening in a protected body of water in Peril Strait or eastern Baranof Island. Bear in mind this is a flexible itinerary – so what we present is only a suggestion of what you might experience.

DAY 2 – WILDERNESS EXPLORATION – BARANOF ISLAND

Navigate the remote northeastern coast of Baranof Island. This region includes many intimate coves and inlets, making it ideal for exploration. Walk a beautiful rainforest path to the natural hot spring pools of Baranof Warm Springs; relax in a steaming

pool while enjoying your favorite beverage and savoring the stunning wilderness.

DAY 3 – WILDERNESS EXPLORATIONS - GLACIER BAY NATIONAL PARK

Explore the wildlife-rich waters of Icy Strait, renowned for phenomenal humpback whale viewing. In the afternoon, we'll sail into beautiful Glacier Bay National Park to begin our first day of extended park exploration. Unique opportunities

during our voyage through Glacier Bay include a beach trek near the Reid Glacier (or other remote location), a visit to the new Huna Tribal House, and rainforest trails surrounding Glacier Bay Lodge.

DAY 4 – GLACIER BAY NATIONAL PARK

This remarkable national park fjord extends 65-miles, contains eight tidewater glaciers, and provides pristine habitat for a wide-array of wildlife, including both brown and black bears,

wolves, mountain goats, Steller sea lions, and humpback whales. The highlight for many is the Margerie Glacier, known for its dramatic calving displays.

DAY 5 – LYNN CANAL – WILLIAM HENRY BAY

Enjoy kayak and skiff adventures in beautiful Lynn Canal then enjoy Alaskan Dream Cruises' exclusive property at William Henry Bay. Nestled against the dramatic Chilkat mountain range, the exclusive area features an expansive beachfront, towering old growth forest, low lying muskeg, and beautiful creek.

DAY 6 – JUINEAU - DISEMBARK

Disembark in Juneau, Alaska's capital city. Transfer your hotel or the airport is complimentary.

We have some wonderful pre- and post-cruise tour programs – see more while you are here!

The *M/V Misty Fjord* expedition vessel was custom designed for in-depth wilderness exploration of Southeast Alaska. Her hull is based on the design of well-proven Alaska commercial fishing boats for supreme comfort and stability while sailing the waters of the Inside Passage.
